

Since the early 80's, JESCO Construction has been involved in industrial construction and services along the Gulf Coast and adjoining states, responding to the unique construction needs of our clients in the petrochemical, oil and gas, pulp and paper, and power and cogeneration industries. We offer a full range of general contracting services, specializing in marine, mechanical, civil, and electrical construction, as well as piping and plant shutdowns/turnarounds.

JESCO offers substantial construction experience, competitive pricing, financial strength, integrity, and a commitment to your project that is supported by a

foundation of quality and workplace safety.

Representative industrial clients include:

- BP
- Chevron Oil
- Dow Chemical
- DuPont
- Georgia Pacific
- Gulf Power
- Hess Oil
- Melamine Chemical
- Mississippi Power
- Southern Company
- Terra Industries (Mississippi Chemical)
